MEMORANDUM FOR: Executive Director

At the Special Group (CI) meeting on 27 September, it was reported that the Draper mission to Brazil will begin to receive its briefings on 1 October, and will proceed to Rio on 8 October. On 19 October it will proceed into the Brazilian provinces.

Byroade has reported to State Department that his mission is coming along all right. Byroade has said, however, that he believes his mission [redacted] STATINTL
TINTL [redacted] would have profited by having experts in fiscal and economic matters as well.
